

SOLAR PANELS BUILT TO LAST

50-Year Lifetime Panels. Lifelong Savings

Founded in 2009 in Lithuania, SoliTek is the largest PV manufacturer in Northern Europe.

We make high-tech solar panels that will cut your electricity costs and carbon emissions for 50 years.

THE GREENEST & TOUGHEST IN THE WORLD

Solar panels

Extreme wind resistance:
built to withstand winds up
to 200 mph

Extreme hail resistance:
withstands 5 cm or an
8-ball-size hail

Extreme load resistance:
10 kPa or a small car spread
over 1 m² of roof
